

# Privacy Policy

**Effective Date:** 14th March, 2025

## 1. Introduction

Quick Convert (“we”, “us”, “our”) is committed to protecting your privacy. This Privacy Policy explains how the Service handles any information that you may provide while using the Service.

## 2. Data Collection and Use

- **No Server-Side Processing:** Quick Convert is entirely client-side. All image conversion processing happens within your browser, ensuring that your files never leave your device.
- **No Personal Data Storage:** We do not collect, store, or log any personal data or image content from our users.
- **Third-Party Services:** The Service does not integrate with third-party analytics or tracking systems that collect personal information. If such services are added in the future, we will update this policy accordingly.

## 3. Security

Since all processing is done on the client side, there is no risk of data breaches related to server-side storage. However, you are responsible for maintaining the security of your own device and browser.

## 4. Your Rights

As no personal data is collected by our Service, there is no data held by us that can be accessed or removed. However, you are encouraged to review and adjust your browser’s privacy settings to suit your preferences.

## 5. Changes to This Privacy Policy

We may update this Privacy Policy from time to time. When we do, we will revise the “Effective Date” at the top of the policy. Your continued use of the Service after any changes implies acceptance of the new policy.

## 6. Contact Information

If you have any questions or concerns about this Privacy Policy, please contact us at:
